

## CHOICES Community of Practice May Coffee Chat Resource Round-up

This document compiles resources shared during the May 18, 2023 coffee chat: *Improving Social Determinants of Health: Year 2 Getting Further Faster Project Findings*. This coffee chat featured speakers from National Association of County and City Health Officials (NACCHO) and Association of State and Territorial Health Officials (ASTHO) who shared key findings from the second year of their Getting Further Faster project funded by the Centers for Disease Control and Prevention. This project is focused on understanding the role of public health and multisector partnerships and coalitions in addressing social determinants of health and advancing health equity.
